

PROJECT:	TYPE:
LOCATION:	CAT:

Description

The sloped shoulders of the Triple Stant Premium Extrusion arch to the mounting surface on both sides, offering a strong presence with a tailored look.

Features

- Extruded aluminum construction
- Three evenly spaced channels allow for three rows of tape light
- Use tape light, lens, and end caps to create a complete fixture (tape light and accessories sold separately)

Mounting

Surface mount via 3M™ adhesive tape, construction adhesive, or flat-head counter-sunk screws in holes drilled through extrusion; Requires a 2-3/8" width and 3/8" height clearance

Applications

Under-cabinet, work areas, and other task lighting applications

Profile Dimensions
