

PROJECT:	TYPE:
LOCATION:	CAT:

Description

The Mini Double Flange extrusion is perfect for shallow recessed applications with 1/8" flanges on either edge for a finished look.

Features

- Extruded aluminum construction
- Use tape light, lens, and end caps to create a complete fixture (tape light and accessories sold separately)
- Not compatible with jacketed tape light when using a lens

Mounting

Recess mount via double-sided adhesive tape or construction adhesive; Fits in 5/8" wide x 1/4" deep channels

Applications

Stairs, handrails, display shelving and cases, niche and accent lighting
