

PROJECT:	TYPE:
LOCATION:	CAT:

### Description

The Double Flange extrusion is perfect for recessed applications with 1/8" flanges on either edge for a finished look.

### Features

- Extruded aluminum construction
- Use tape light, lens, and end caps to create a complete fixture (tape light and accessories sold separately)

### Mounting

Recess mount via 3M® double-sided adhesive tape or construction adhesive; Fits in 5/8" wide x 1/2" deep channels

### Applications

Stairs, handrails, display shelving and cases, niche and accent lighting
